

Jayman Financial is a division of the Jayman Group of companies, with offices in Edmonton and Calgary. We are a high volume brokerage house. We have an opening for an experienced **Mortgage Associate** on our Calgary team. Jayman Financial will offer you competitive compensation, a friendly and fast-paced work environment.

What makes this position unique over other brokerages is as follows:

1. **Instant referral sources.** The successful applicant will be assigned a certain number of sales centers which sell new homes and condominiums. These sales centers refer their customers to Jayman Financial.
2. **Exclusive access to referral sources.** The sales centers are directed to send as many leads as possible to Jayman Financial. No other outside mortgage agents are allowed to deal with the sales centers.
3. **Relationships are developed internally with our teams in the sales centers.** There is no requirement to do outside business development unless you want to.
4. **Business created from outside referral sources is encouraged.** You can continue developing your existing sources.

As our newest Mortgage Associate, in our **Calgary** office, you will have the opportunity to develop business opportunities and relationships within the Jayman BUILT family. The job does require an individual to be available seven (7) days a week including most evenings.

Qualifications:

- Energetic, positive, competitive and results oriented
- Must possess a good understanding of CMHC and GENWORTH guidelines.
- RECA license required
- Flexibility to work days and hours as dictated by the needs and requirement of our sales centers and clients.
- Minimum 2-3 years experience as a mortgage associate
- Able to operate under policies and guidelines as established by Jayman Financial.

The position is 100% commission based, and the opportunity exists to earn an excellent compensation. A base salary to cover expenses until a pipeline is built is negotiable.
